## Site Map:

The map indicates parking zones, and ring entrance/exits. There is no access to the barn or main parking lot or any part of the farm, other than those designated on the map. After July 1, there will be porta-potties onsite. Water will be available for horses to drink and for bathing. Bring your own buckets for water for horses or for washing horses down.

## Upon Arrival:

**Use the horse show entrance (not the main laneway). Park in the areas designated on the site map. Contact a Westar Farms representative to check in.** Only those pre-registered are permitted on-site.

## While at Westar:

**Maintain physical distancing of 2 metres while on foot and 5 metres while on horseback. Everyone should wear a mask except riders while mounted.**

Hand sanitizer will be available to use upon arrival and before you leave and at any other time you feel necessary.

**Please be as efficient with your time as possible.** Once mounted, do your warm-up, complete your school, brief cool out, tidy up and prepare to depart. No grazing or hacking.

**In case of any emergency while you are on-site, you are responsible for calling 911.** There will be signs onsite with our street address: **8132 Fernbank Road, Ashton, ON K0A 1B0.**

**We ask that no one post photos or videos of your activities at Westar Farms on social media i.e. Facebook, Instagram, Snapchat, TicTok, Twitter or other, without express permission from a Westar Farms manager.** To obtain permission, contact us privately by e-mail or on Facebook.

## When Departing:

**Clean hands with hand sanitizer before you leave.** Please take everything you brought away with you, including any garbage.

By following all the measures above, we hope that you'll have an enjoyable time while here with your horse and return as often as you like over the season. We welcome your feedback and suggestions.
