

Trillium & Bronze Shows

ENTRIES ARE OPEN for Westar Farms Summer Finale Trillium & Bronze Show at:

<https://eqshowmanager.com/>

This is the former ESM but please use the new url.

If you already have an account:

If you had an account previously your username and password will still work.

If you are new to ESM:

- 1) create an **Exhibitor Account** if you are an adult competitor or parent of a junior rider.
- 2) create **Person Accounts** for owners and riders.
- 3) create **Horse Accounts** for your horses.
- 4) Once you have that set up, it's a few simple steps to create entries.

Stalls orders:

Stalls may only be requested through the Stall Request Form: <https://form.jotform.com/231677516310049>.

If we have confirmed a stall or stalls for you, you'll be able to access the information through your Service Order which we'll set up for you.

Currently weekend and Sunday stalls are sold out and a few Saturday stalls are still available. We are taking a waiting list via the stall request form.

In going through the entry process, please disregard the page offering My Realtime ESM and there is no need to fill out contact tracing information. We appreciate the new managers of ESM getting the system back up and running! They are working on refreshing the site but we are glad to be working with it again.

See you at the show!
