

Westar Dressage Series High Point Awards

In order for scores to qualify for the Series High Point awards:

- You must do at least two tests at the show. For Silver and Gold you can count classes from either day.
- We will count your two highest scores from the show in technical tests only (TOCs do not count) and take the average.
- Silver horses can count 2 tests from either day
- Gold horses must be entered in at least one test each day in order for scores to count (still your two highest scores count even if they are from the same day). This is the same as qualifying for champion and reserve at an individual show.
- The hi-point score will be calculated by adding the 3 highest averaged show scores from June, July, August and September.
- Awards will be presented to: Junior - Amateur - Open at each show level Gold - Silver - ESD as well as a Hi-point award for Pony Cup (all levels) and Freestyle (all levels)
