EC ACCIDENTS & RETURN TO PLAY RULE

Equestrian Canada's concussion related Accidents & Return-to-Play Rule came into effect Jan. 1/2017 for all EC sanctioned competitions in Canada. The full rule can be found in the EC Rules, Section A, General Regulations, Article 101. Key components of the rule include the following:

- In the event of a fall/accident where a concussion can be reasonably suspected, the competitors must receive medical clearance by qualified medical personnel on-site before continuing to compete.
- The competitor is solely responsible for ensuring the on-site medical assessment takes place. Should a competitor refuse to be evaluated, they will be disqualified from the competition.
- If on-site qualified medical personnel suspect a concussion or believe the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor will be suspended from competition and placed on a Medical Suspension List until medically released.
- Competitors will remain on the EC Medical Suspension List until they submit an EC Return-to-Play Form, signed by a licensed physician, to EC.
- No competitor shall compete at EC sanctioned competitions while on the EC Medical Suspension List and competition organizers may refuse entry to anyone currently on the list.

EQUINE HEALTH & BIOSECURITY

In order to keep your horse and all horses on the show site as safe as possible please observe the following:

Proof of Vaccines: Proof of current vaccines must be uploaded at the first Westar show of the season attended, and must indicate the horse's show name and date of administration of EHV 1 & 4 and Equine Influenza (as per Article A519). Competitors failing to meet this requirement will not be permitted entry.

They also agree to share knowledge of any stabled horse displaying symptoms of infectious disease or have contact with any horses displaying such symptoms, and agree to immediately inform show management at the show office or by email to: entries@westarfarms.ca.

Contact information and contact tracing must be completed.

SITE ENTRY & BIOSECURITY

In addition to rule A519 Vaccinations, biosecurity measures are in place for horses. All grooms, trainers, competitors and braiders are also responsible to follow safe practices if visiting more than one barn and are expected to limit their traffic footprint to their own stable area. The stabling area is closed to spectators.
