

Westar Dressage Series High Point Awards

In order for scores to qualify for the Series High Point awards:

- You must do at least two tests at the show. We will count your two highest scores from the show in technical tests only (TOCs do not count, except at FEI level) to make the Show Total.
- Silver horses can count 2 technical tests from either day.
- Gold horses must be entered in at least one technical test each day in order for scores to count (still your two highest scores count even if they are from the same day).
- The hi-point score will be calculated by adding the 3 highest Show Total scores from June, July, August and September.
- Awards will be presented to: Junior - Amateur - Open at each show level Gold - Silver - ESD as well as a Hi-point award for Pony Cup (all levels) and Freestyle (all levels).
- Horses whose names appear above the blue line — in each division may be eligible for an award.
- Horses with an * beside their name need one more show (Sept 20/21) in order to be eligible for an award.
